With 300 stands at ten locations, you are sure to find virtually all manner of wonderful and fascinating gifts here during the Advent season, from arts and crafts and decorations to unusual toys and games, and much more besides. And what would a stroll through the Dortmund Christmas market be without trying the typical glühwein or one of the other beverage specialties? The annual glühwein cup has a new motif this year, particularly anticipated by collectors. The Dortmund Christmas market will pamper your palette with savoury food items such as bratwurst and Westphalian grilled ham as well as sweet foods such as burned almonds, crêpes and other yummy treats.
